Reference: Amended Year-End Report (11/25/2014 - 12/31/2014)

Dear Mr. Butler:

This correspondence is in response to your Request for Additional Information (RAI) for the above referenced report.

Regarding requested itemized memo Schedule A to support a joint fundraising committee transfer. The activity in question did not occur during the reporting period indicated by the above referenced report. The list of memos of individual donors related to joint fundraising receipts for our 2014 30 Day Post General report (10/16/2014 - 11/24/2014) had been prepared for filing, but not inserted into our uploaded file.

The dates of the memo entries are the date they were received by the joint fundraising committee and as such do not fall within the monthly reporting period indicated by the referenced report in this RAI. However, we have amended our 2014 30 Day Post General report to include the applicable memo entries.

Please note that this amendment does not change any financial data reported on the summary pages of any of our reports.

If you would like any additional information on this matter please contact me at RNC Administration.

Sincerely,
Anthony W. Parker
Treasurer
